**SATURDAY
15 JANUARY
2000**

CONTINUING MEDICAL EDUCATION

Introduction

For this meeting, the Belgian Society of Digestive Endoscopy has chosen to provide an update on indications, techniques and results of endoscopic versus non-endoscopic imaging procedures. Five sessions will give the opportunity to each speaker to overview different specific diagnostic techniques and to compare it with its competitors.

Each diagnostic procedure will be supported by one or several speakers. Expert chairmen will submit identical questions to each speaker and will draw proper conclusions.

Welcome in Liège

Dr Vincent Gillard
for the Scientific Committee

Accreditation has been requested (60 UFC/NE)

9.00 MODULE 1: Upper GI-tract tumors

Moderators: V. Gillard (Liège)
M. Hiele (Leuven)
Chairman: N. Jacquet (Liège)

- Endoscopic autofluorescence techniques (J. Haringsma - Amsterdam)
- Endoscopic ultrasonography (V. Gillard - Liège)
- Barium meal, CT scan and MRI (J. Pringot & Em. Coche - Brussels)
- PET scan (P. Flamen - Leuven)

10.20 MODULE 2: Small intestine (bleeding and tumors)

Moderators: J.-C. Debonnie (Ottignies)
H. De Baere (Mochelen)
Chairman: P. Mainget (Brussels)

- Enteroscopy (A. Van Gossum - Brussels)
- Radiology (D. Hock & Ch. Salve - Liège)

11.00 Coffee-break

11.30 MODULE 3: Pancreatic masses

Moderators: J. Devière (Brussels)
D. Urbain (Brussels)
Chairman: W. Vansteenberg (Leuven)

- ERCP (M. Cremer - Brussels)
- EUS (P. Deprez - Brussels)
- CT & MRI (C. Matos - Brussels)

12.30 General meeting

13.00 Lunch

14.00 MODULE 4: Colon & rectum

Moderators: J.-P. Peeters (Charleroi)
N. Stuyf (Antwerpen)
Chairman: P. Pelckmans (Antwerpen)

- Colonoscopy (M. De Vos - Gent)
- 3D MR-colonography (D. Schoenfelder - Essen)
- Endoscopic ultrasonography (P. Gast - Liège)

15.00 Coffee-break

15.30 MODULE 5: Portal hypertension: risk of bleeding

Moderators: H. Van Vlierberghe (Gent)
M. Buset (Brussels)
Chairman: A. Hadengue (Genève)

- US Color Doppler (Th. Puttemans - Ixelles)
- Endoscopy (O. Lemoine - Brussels)
- Color Doppler endosonography (A.M. Kassem - Cairo)
- Portal vein pressure measurements (F. Nevens - Leuven)

17.00 Cocktail
